

# FOSSIL CREEK

## New Camping and Campfire Regulations

The Forest Service has new rules for camping, campfires, and off-road driving in the Fossil Creek area. Each year, more than 40,000 people visit this area. Because of the heavy use, Fossil Creek has been damaged by wood cutting, fires, new roads, trash, and human waste. Please respect and abide by these new regulations.

In 2009, Fossil Creek was designated by Congress as a National Wild and Scenic River.
