Liberal Studies Substitution Petition

- Liberal Studies petitions and waivers must be approved by the Office of Undergraduate Admissions.

Waivers for major and minor requirements are processed by the departments.

- Courses must be selected from the approved liberal studies list. You may not use courses in the discipline of your major, as determined by the course prefix, to satisfy your liberal studies requirements.
- A cross-listed course may only be counted in one block.
- A course description must be attached.
- Petitions will not be processed without complete information.
- Processed petitions will be sent by campus mail to the advisor who signed the petition.
