blg 61

**Phone:** 928-523-5524

928-523-7391

**Director:** Dorothy Briggs

The Learning Assistance Center offers free tutoring for a large variety of difficult classes. Our tutors combine experience and knowledge with a comforting one-on-one study environment. Our walk-in math lab is open Monday through Thursday.

### Writing Center

<http://www.nau.edu/english/Writing%20Center/index.html>

**Location:** Liberal Arts (Building #18), Room 228

**Phone:** 928 523-8992

The Writing Center provides students at Northern Arizona University with consultants who provide immediate, constructive responses and suggest strategies for improvement but do not rewrite or "correct" writing. The Writing Center's goal is to engage students in a constructive dialogue before, during, and after the composing process. At the Writing Center, the writer does the work.

### Counseling and Testing Center-

**Location:** The Counseling and Testing Center is across the street from the Cline Library, [Building 26-A](#): on the corner of Knoles and McCreary. Get [directions](#) to the Counseling & Testing Center or [see a photo](#).

A full range of speech, language, and hearing services is available for individuals of all ages. These services are provided by graduate student clinicians working toward their master's degrees in speech/language pathology. The graduate clinicians evaluate and treat clients under the direct supervision of clinical faculty. Programs are designed to meet the individual needs of each client and can be provided in either individual or group sessions.
